

## Victorian Notice to Mariners

The following notice to mariners is published for general information.

### **No. 024 (permanent) of 2014 Port of Corner Inlet & Port Albert (Victoria) Lighthouse Point**

Date: Effective immediately

Details: This notice cancels the previously issued notice No.030 (T) 2013.

Mariners are advised that the directional light established below the flashing white range light, at Lighthouse Point, showing green, white and red sectors has been amended as follows.

Reference position:  
Lighthouse Point light K2502  
Latitude: -38° 50.638'  
Longitude: 146° 28.375' AGD66

White directional light centreline 278° (T)  
Directional light WRG 3s 35m 9M  
G 273° -277° (4°)  
W 277°-279° (2°)  
R 279°-283° (4°)

Mariners are advised to maintain the centreline of the directional light 278° when transiting this region and be aware of potential shoaling encroaching from the Northern Bank.

The flashing white range light characteristics remain the same: 5s 36m 17M Vis 187°-350° (163°)
