* Event Tiers		
Tier 1 events represent larger events dealt with under the Marine Safety Act (MSA). These events require additional and more rigorous processes in order to obtain permits and also in the management of the event itself. Example, Motor Boat Races.		
Tier 2 events are similar in scale to tier 1 however these are events dealt with under the Port Management Act as apposed to the MSA. This results in a more simplified process as no permit is required from Transport Safety Victoria and there are no gazettal requirements. Example		
Tier 3 events represent less significant risk and therefore a less detailed risk assessment and a simpler application process.
