### 2. POSITION IN CONTEXT

Gippsland Ports is a Committee of Management with responsibilities delegated from the Victorian Government's Department of Transport to deliver services and manage assets and infrastructure. Services include management of port and waterway safety and environmental values, provision and management of berths and moorings, Aids to Navigation, hydrographic survey and information, publication of information to mariners, maritime security management, dredging and channel management, property management and on-water fuel retailing, vessel repair and maintenance services through two boatyards, marine pollution response, a range of unspecified community service obligations, marine events oversight, together with the governance and administrative functions associated with a regional business with 60+ employees and annual turnover of approximately \$15M.

Assets under GP management include 870+ Aids to Navigation, 100+ wharves and jetties, 900+ berths and moorings, marine plant and equipment, property, seawalls and boardwalks.

Gippsland Ports operates from 4 sites, Bairnsdale, Lakes Entrance, Paynesville and Port Welshpool and has responsibility for 5 of Victoria's 14 Local Ports and 4 Declared Waterways that comprise 1400 km<sup>2</sup> of waterways located along the Victorian coast from Inverloch to Mallacoota.

Principle activities within and from the Ports and Waterways under Gippsland Ports' management include recreational boating, commercial charter vessel operations, Victoria's largest commercial fishing fleet, oil and gas industry services and coastal commercial shipping.

The Port Worker Boatyards position requires a suitably experienced and qualified person to;

- Under supervision perform high quality repairs, upgrades and maintenance to a variety of commercial and recreational vessels and equipment
- To assist with the safe and efficient operation of the Boatyards including travel lift, slipping and general operations
- To be accountable for their behaviour, work performance, safety and quality of work.

### 3. SIGNIFICANT WORKING RELATIONSHIPS

**Internal**

- Team Leader Paynesville Boatyard (PBY)
- Team Leader Bullock Island Boatyard (BIBY)
- PBY and BIBY staff
- Risk and Compliance Manager
- EHS Officer

**External**

- Boatyards customers
- Various contractors
- Services and goods suppliers

### 4. SPECIAL CONDITIONS

The position will require travel between Gippsland Ports’ facilities throughout its region.

The incumbent will be required to work at heights and within confined spaces and may require exposure to hazardous conditions, material or equipment.
